

BULLSEYE JACKPOT POLICY

Effective from 5th of February 2015

In accordance with the Bullseye Rules 2009, the New Zealand Lotteries Commission (Lotto NZ) policy in relation to Bullseye jackpots is detailed below:

1. Rule 22 (1) (a) (i) Threshold Amount

The total available Division One prize pool after which no further additions may be made under rule 23(2)(a) is four hundred thousand dollars (\$400,000).

2. Rule 22 (1) (a) (ii) Maximum Number of Games

The maximum number of games after which no further addition to the Division One prize pool may be made under rule 23(2)(b) is one hundred and eighty-two (182).

3. Rule 22 (1) (b) Specified Dates

Lotto NZ may specify dates on which, if there is no Division One winning selection in the drawing of the game on that date, the total Division One prize pool that may be won in that game must be added to the prize pool allocation for the next lowest prize division of that game with one or more winning selections.

The policy in relation to these dates is detailed below:

- a. Dates may be set to coincide with special occasions e.g. holidays, national events etc.
- b. Dates may be set at the discretion of Lotto NZ.
- c. The Chief Executive will approve dates.
- d. Dates will be set with a minimum notice to the public of one (1) week.

4. Rule 22 (3) Public Notice

Lotto NZ will notify the public to ensure reasonable national coverage if it makes changes to the policies outlined above, or nominates a specified date.
